

Dear Sir or Madam,

The Chair for the Promotion of Business Innovation invites all university lecturers and researchers to take part in a collection of working documents.

We encourage you to publish your working papers on research, innovation, technical change and technology transfer in your work areas: engineering, medicine, social sciences, economics, business and law, etc. The documents must be original and unpublished, written in Catalan, Spanish or English, and must be sent via e-mail in pdf format to the following contact: innovacio.empresa@urv.cat

The papers submitted will be selected for publication by the specific committee, which will base its decision on the techniques used and the rigor of the paper. A sum of 600 euros will be awarded by the Chair for the Promotion of Business Innovation for each working paper to facilitate the work and participation in conferences.

Should you require any further information, please do not hesitate to get in touch.

Yours faithfully,

Agustí Segarra Blasco
